Volunteer Opportunities

Volunteers are vital to the on going success of McKee Botanical Garden

The time you give is valuable and assures that our visitors have a meaningful and enjoyable experience while here at the Garden. The staff at McKee Botanical Garden understands and appreciates the contribution of time and talent provided by our volunteers. You are very important to us and to our mission. Volunteering is a wonderful way to share your special skills and interests, your time and talents with others of like mind.

Volunteer opportunities are available in the following areas:

- Garden Greeters
- Garden Guides
- Floating Garden Guides
- Gift Shop
- Horticulture/Grounds Volunteer
- Building Maintenance
- Special Events
- Office

Benefits you receive from volunteering at McKee Botanical Garden:

- Personal enrichment and satisfaction
- Classroom training depending on your volunteer position
- 10% discount on purchases made in the Gift Shop
- 10% discount on purchases made at the Garden Café
- Free class registration on stand by/space available basis for gardening related classes

The first step is to complete a Volunteer Application, after which an interview is scheduled and your interests and personal schedule are discussed. Based on that interview and the current needs of the Garden, a suitable placement will be made as soon as possible. Whether you are able to help out occasionally with special events or are able to work several hours a week on a routine basis, we have a place for you. Inside or outside, summer or season, your contributions are needed.

For more information please contact our Volunteer Coordinator at the McKee Botanical Garden office at 772-794-0601 or email volunteer@mckeegarden.org.
