

Professional Photographer Membership Guidelines

The Garden is available for a Professional Photographer during the hours of 10:00 a.m.-5:00 p.m., Tuesday through Saturday and 12:00 p.m.-5:00 p.m. on Sunday. Please observe all guidelines listed below and be aware of the nature of the facilities that you are using. The Garden is fragile and irreplaceable.

Professional photographer membership fee: \$100.00 annually. Benefits include unlimited admission for photographer for one year, subscription to our Garden newsletter, advanced registration for education programs and invitations to member only events, tours and lectures, Reciprocal admission to other U.S. Botanical Gardens and Arboreta and a 10% discount in our Garden Gift and Book Shop and Cafe.

Membership includes admission for Professional Photography only and **not** those he is photographing. Professional Photographer will receive two guest passes that he may use as he chooses, however his guests will pay general admission.

Guidelines:

- ◆ All photographers and equipment, etc. must remain on pathways or open grass areas. Do **not** go into planted areas.
- ◆ Wedding, family and group photography must be pre-approved through the office 14 days in advance. The Garden must be notified of the date, time and location of the photo shoot in the Garden.
- ◆ Changing facilities are available at the Garden by appointment only. If you would like to use the facilities, please call in advance (772)794-0601.
- ◆ All photographers and guests must leave the Garden by 4:30 p.m.
- ◆ Signs and other identifying features of the garden may not be photographed without prior written permission from McKee Botanical Garden.
- ◆ Do not remove plant labels or signage for any reason. Please do not pick flowers, rearrange or remove any plants.
- ◆ Tripods are allowed as long as they do not block paths, interrupt tours, or interfere with the enjoyment of McKee Botanical Garden's other guests and garden activity.
