WELCOME TO OUR WINTER HOLIDAY SEASON!

A Message from Christine Hobart, Executive Director

I hope that you are staying safe and healthy. While there is so much uncertainty in our world right now, the Garden has been a welcomed sanctuary for our members and visitors. We are grateful to be able to offer our visitors an outdoor place to heal and recharge and are so pleased to see you taking advantage of this benefit. We reopened the main Garden on May 6 and the Children's Garden on July 10. We are continuing to adhere to CDC guidelines and social distancing recommendations, making it as safe as possible for our guests.

In spite of having to adjust to many changes this year, our staff has been hard at work making sure there are plenty of opportunities to visit, explore and enjoy the Garden in the months to come.

Our official **2020-2021 Calendar of Events** has launched a bit earlier than we anticipated. Back by popular demand, *Sean Kenney's Nature Connects Made with LEGO® Bricks* exhibit, originally set to go on display in January, arrived early and is now on display through April 25, 2021.

During the upcoming holiday season, McKee Botanical Garden is excited to announce our first ever **Holi-DAYS at McKee...** almost a month of fun-filled, daytime only events and activities coordinated over several weeks so that all we spread is holiday cheer. We have designed our family-friendly events with an abundance of caution and concern for the health and safety of our members, visitors, staff and volunteers. Visitors can look forward to *Holiday-Themed Mascot Breakfasts and Lunches, Meet and Greet Photos, Live Musical Performances, Classic Holiday Movies, Daily Holiday-Themed Games, Crafts, Workshops & Activities*, and even *Live Reindeer* on December 22 and December 23. Join us for our **Holi-DAYS at McKee** beginning Tuesday, December 1 through Wednesday, December 23 from 10:00 am to 3:00 pm daily (excluding Mondays).

We are also excited to announce the opening of the new Garden Café at McKee Botanical Garden. We think you will enjoy the new menu offerings. Read more about this exciting change on page 11.

We will continue to keep you informed about any changes and encourage you to come back to the Garden. During the coming year, as we celebrate **McKee's 20th Anniversary** since reopening in 2001, we look forward to seeing you often as the Garden reflects back on the accomplishments of the past 20 years and celebrates the promise of its future.

Wishing you all safe, fun and stress-free holidays...come relax by spending time in nature at *your Garden!* ■

Sincerely,

Christine Hobart
Executive Director

THE GARDEN

BACK BY POPULAR DEMAND!

This exhibit is a beautiful, inspirational exploration of art and nature...
On Display Now Through April 25, 2021

Sean Kenney's *Nature Connects*® Made with LEGO® Bricks, an award-winning and record-breaking exhibition that uses beautiful works of art made from simple toy blocks to explore animal endangerment, the balance of ecosystems, and mankind's relationship with nature.

Produced by Imagine Exhibitions, *Nature Connects* presents a playful spin on traditional sculptural art—making it accessible to guests of all ages and backgrounds. Using the beloved toy bricks as a medium, *Nature Connects* poses the question: just as LEGO bricks interconnect, how is our natural world interconnected?

As guests marvel at Sean's gravity-defying and astoundingly precise structures, they will become inspired to explore their world in new ways. The narratives, along with the intricate displays, also explore the importance of conservation, the balance of ecosystems, predator/prey relationships, as well as the relationships between humankind and the natural world.

Most importantly, the exhibition allows visitors to appreciate both nature and the sculptures as something beautiful, and to inspire them to go home and create something wonderful themselves.

Tom Zaller, CEO of Imagine Exhibitions shared, "Imagine Exhibitions is proud to partner with Sean Kenney to bring the creative vision of *Nature Connects* to McKee Botanical Garden. The messages in the exhibition about our connection to nature are beautifully presented and effectively woven into the story in the hopes of inspiring visitors to think more about mankind's impact on the greater world around us." ■

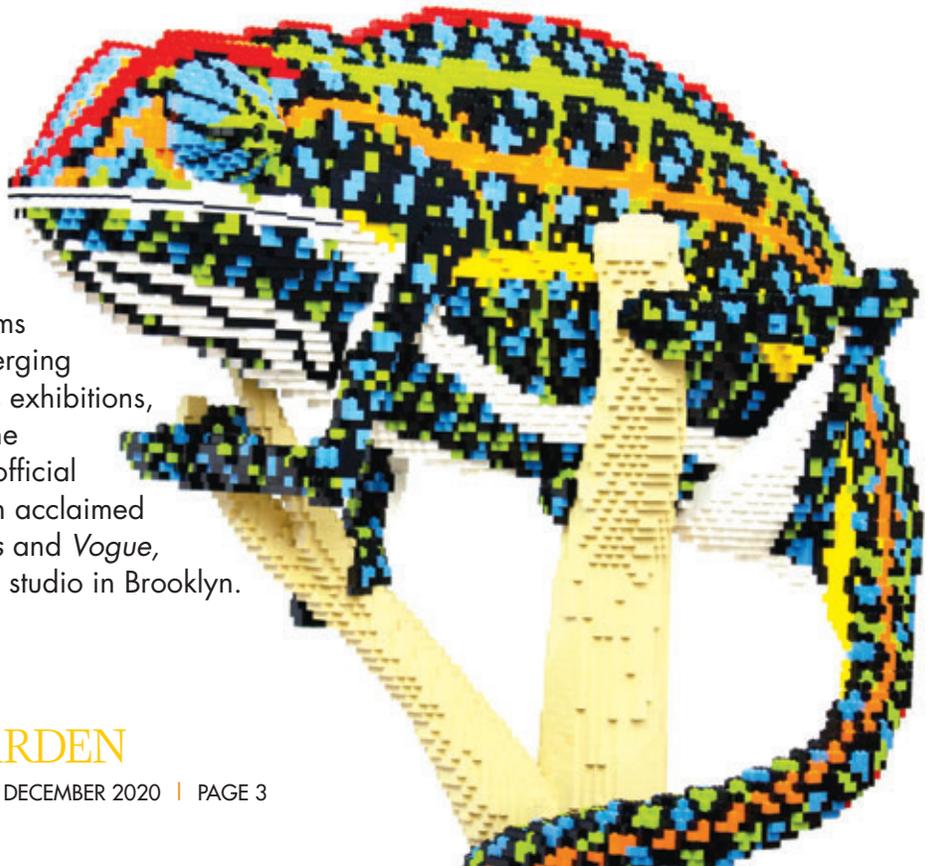

About Sean Kenney

Sean Kenney is an award-winning artist who uses LEGO pieces as a medium for contemporary sculpture, portraiture, and commercial art. He is recognized as one of the leading experts in the field and is a founding member of several global programs that aim to encourage and support this emerging art form. Millions of people have visited his exhibitions, he has authored 9 children's books, and The LEGO Group collaborated with him as an official partner for 14 years. Sean's work has been acclaimed by *The New York Times*, *PBS Arts*, *BBC Arts* and *Vogue*, and he continues to create every day at his studio in Brooklyn.

About Imagine Exhibitions

Imagine Exhibitions is currently producing over 40 unique exhibitions globally in museums, science centers, zoos, integrated resorts, and non-traditional venues, with millions of people around the world visiting their exhibitions each year. In addition to developing successful traveling exhibitions, Imagine Exhibitions designs, opens, and operates permanent installations and venues, and consults on building, expanding, and directing museums and attractions. For more information, visit www.ImagineExhibitions.com or find them on Facebook.

THE GARDEN

McKee Legacy Society

The McKee Legacy Society honors those individuals who have expressed their dedication to McKee by making the Garden part of their lasting personal philanthropy. These members, individually and collectively, have built a legacy for McKee. We thank all those who have joined for their generosity, vision, and commitment to ensuring the Garden thrives for generations to come.

Kindly let us know if you have already included McKee Botanical Garden in your will or estate so we may recognize your commitment. Thank you for your dedication and commitment to our mission.

LEAVE A LEGACY FOR FUTURE GENERATIONS

Help Preserve the beauty and unique history of McKee Botanical Garden

Through a planned gift to McKee Botanical Garden, you have the opportunity to support the Garden and receive lifetime benefits important to your financial future. Planned gifts include charitable gift annuities, bequests, and gifts of retirement plan assets and other assets. All donors who include McKee Botanical Garden in their estate plans or make a planned gift become members of the **McKee Legacy Society**.

If you would like to make McKee Botanical Garden part of your personal legacy, we would be delighted to work with you to identify planned gift options that are aligned with your individual goals. *For more information, please contact Christine Hobart, Executive Director, 772.794.0601 or hobart@mckeegarden.org.* ■

*“One generation
plants the trees,
the next enjoys
the shade.”*

HELP US GROW

Give the Gift of Membership

New experiences bloom all year at McKee! Share the gift of membership with your friends and family this holiday season and give a year of beauty and tranquility as well as access to events, discounts and reciprocal privileges at other botanical gardens around the country—all while preserving the magic of McKee.

THE GARDEN

*“We might think we are
nurturing our garden,
but of course it’s our
garden that is really
nurturing us.”*

MAKE AN IMPACT

This year has given us a renewed appreciation for the importance of connection to the natural world. Our hope is that when you visit McKee and stroll along the Garden’s lush and tranquil pathways, you experience a renewed spirit and the joy of being outdoors in nature.

McKee Botanical Garden is your Garden

For nearly twenty years, this historic community has been a place of healing, discovery, and inspiration. A destination, where regardless of age, imagination lives, curiosity grows, and peace resides.

Your support makes this possible!

As a nonprofit, we are dependent on the generosity of our members and partners for everything we do. Like the rest of the world, we’ve had to make changes but our commitment to our mission is stronger than ever—to *nurture and enhance this historic Garden for the education, enjoyment, and enrichment of all.*

Together we are creating a space for the community and for generations to come. Please make a gift today to help sustain the Garden you love.

ALMA LEE LOY

June 10, 1929–April 10, 2020

Alma Lee devoted her life to volunteer public service and philanthropy. She was passionate about the betterment of Vero Beach and Indian River County. She recognized the importance of special places and the environment. She was active in saving the original 18-acre McKee Botanical Garden from development, served twice as president of the Garden, and helped raise funds for the new Children's Garden. She was serving on McKee's Board until her passing. Alma Lee touched the lives of everyone in our community and beyond and will be greatly missed by all of us at McKee. Rest in peace Alma Lee and thank you for all that you did to help make McKee what it is today. ■

"You can't put a price tag on fresh air. You can't put a price tag on the things that have meant so much to the people of this community for so long."

~Alma Lee

IN MEMORY

THANK YOU

In April, we sadly lost two of our most endeared former Board members, Alma Lee Loy and Peter B. Benedict, Sr. Both Alma Lee and Peter were instrumental in the reopening of McKee Botanical Garden. They both also served as President on our Board of Directors and remained involved and supportive of the Garden until their passing. We pledge to continue to carry on the legacy that they started at McKee. We want to thank those who gave a donation in their memory to benefit McKee Botanical Garden.

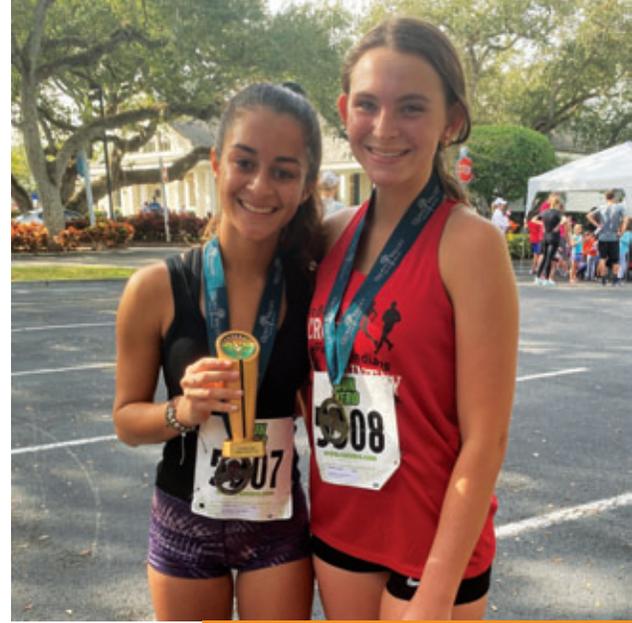

PETER B. BENEDICT, SR.

1936–2020

Peter was a true champion to McKee. His vision, generosity, and commitment were instrumental to the Garden's growth and success. Peter served as president of McKee Botanical Garden for five years. During his tenure as president, we were able to accomplish many key initiatives, from the restoration of the Garden to the purchase of the parcel north of the Garden, which was later developed into additional parking. Peter had a vision for McKee, and we are only where we are today because of his unwavering passion and leadership. ■

A Maypan Coconut Palm tree (the "tree of life") has been planted next to the iconic Stone Bridge in Peter's memory for all to admire. This tree will serve as a living tribute that will flourish for generations to come. The tree was donated by Ben Magrill of Pahokee Palms in Pahokee, Florida. Special thanks to Tommy Aiello of Aiello Landscape, along with members of his team, Javier and Pedro, who generously donated the prep work and installation of this magnificent tree.

THE GARDEN

TEAM MCKEE TAKES FIRST PLACE IN QUAIL VALLEY CHARITIES' 'MAKING STRIDES FOR CHILDREN' 5K WALK/RUN

Thank You for Your Support

McKee Botanical Garden is grateful and honored to be one of the many organizations that Quail Valley Charities supports. McKee participated in QVC's 'Making Strides for Children' 5K Walk/Run earlier this year. A group of high school students came together and volunteered to represent Team McKee. They were thrilled to do so, especially since most of them are athletes who run track and cross country. The race was full of energy, with well over 400 people participating. Team McKee was determined to shine, and so they did, coming in first place!

McKee sincerely appreciates Quail Valley Charities' commitment to the Garden and applauds QVC for its philanthropic leadership in Indian River County. ■

TARGET CIRCLE/GOODCOIN FOUNDATION

We would like to thank the *Target Circle Program/GoodCoin Foundation* for featuring McKee Botanical Garden in their loyalty program (a charitable giving campaign). The Garden has received over \$2,000 from the Target Circle Program/Good Coin Foundation. We extend a special thanks to all of our loyal supporters for voting for McKee Botanical Garden when making your purchases at Target. "I hope you stop for a moment and celebrate the huge number of votes you received. You have earned the trust of the community. Good going," stated George Stevens, President, The GoodCoin Foundation. ■

FLORIDA ON A TANKFUL: Botanical Gardens Debuts Children's Attraction

*The Children's Garden,
come look and see.*

*What a magical place,
it's beginning to be.*

*Pirates and princesses,
fairies and more.*

*Flowers, butterflies
and enchantment galore.*

*The Gardens at McKee
are a wonderful place,*

*A unique kind of spot
in a rather small space.*

*Only 18 acres make up
our garden glade,*

*Where more than 10,000
plants grow in sunshine
and shade.*

*Waterlilies too grow in
abundance here,*

*In this historic landmark
that's very near*

*To Vero Beach, Florida,
which I visit each year.*

*So, visit the Garden
and linger a while,*

*I'm sure you will leave
here with more
than a smile.*

*So, if you are able,
please donate today,*

*To help keep this spot
forever where children
can play.*

*And learn about so many
wonderful things,*

*That McKee Garden
and education can bring.*

KIDS CORNER

JOIN IN THE FUN AND NEW ADVENTURES AT MCKEE

By Education Coordinator Amy Shoemaker

Our Children's Garden activities have been a big hit with our young visitors. **STORYTIME** finds little ones clapping along to interactive songs and listening to stories about bugs, flowers, flamingos and pirates. Our science-based program, **P.I.R.A.T.E. ADVENTURES** offer families an opportunity to learn about a new topic each week. The children enjoy learning about flowering plants, birds, frogs, butterflies, flamingos, fungi, honeybees, recycling, endangered plants and animals and so much more.

Sandra Rennick shares this delightful story about her son James. One evening after participating in **SUMMER CAMP** activities at McKee, James (pictured above far right) got a spatula out of the kitchen drawer and exclaimed out of the blue, "Let's pretend I am Amy Shoemaker's great, great, great grandfather and I am making iron nails 'a la blacksmith. Now I am making horseshoes." Sandra explained, "With a boy sometimes you don't get much information on the experiences of a day, so these sweet snippets shared are fun to hear and share!"

The coming months are going to be filled with fun new science topics and more adventure, so be sure to join us!

Treasure Coast Kids Quest (Scavenger Hunt Adventure)

We are very excited to be partnering with the Indian River County Chamber of Commerce in conjunction with the Vero Beach Museum of Art, Environmental Learning Center, Mel Fisher's Treasures, LaPorte Farms, and Countryside Family Farms to present the **TREASURE COAST KIDS QUEST (Scavenger Hunt Adventure)**. This is a fun family activity.

IN PERSON OPTION: To begin your adventure, pick up your personal Activity Passport at one of the partner locations listed above. The passport contains a map and information about each of the locations. Be sure to visit each location and get your passport stamped. Once your passport has been stamped by each partner location you can ask for your Kids Quest Backpack containing your certificate of completion and prizes! You can pick it up at your last stop or at the Indian River County Chamber of Commerce. Let the adventures begin!

CONTACTLESS OPTION: Parents or guardians can post a photo on Facebook or Instagram of the location (participating organization) you are currently visiting and tag

Contact-Free Online Quest

Looking for a "contact-free" way to follow along the Quest? No problem, we have an alternative for you!

Have a parent or guardian post a photo on Facebook, Instagram, and check in at each participating location. This photo will show proof that you participated. Once you have posted a photo at each location (6), you may claim your Treasure at the Indian River County Chamber of Commerce, located at 1216 St. St., Vero Beach, FL 32980.

For more information, please visit our website at treasurecoastkidsquest.com.

THE GARDEN CAFÉ At McKee Botanical Garden

We're excited to invite you to join us at the **NEW GARDEN CAFÉ!** The menu features a wide array of items sure to please the most discriminating palate including bountiful salads, flavorful wraps, paninis and sandwiches, soup and quiche of the day, savory sides and homemade brownies, jam bars and other yummy desserts.

Fun and tasty children's menu items are also available. To download the complete menu, visit www.mckeegarden.org

TUESDAY-SATURDAY, 11 AM-3 PM
SUNDAY, 12 PM-3 PM
CLOSED MONDAYS AND MAJOR HOLIDAYS

@tkidsquest as well as the participating partners like @mckeegarden. Your photo will show the scavenger hunt item as proof that you were at that location. Currently, the only exception is the Vero Beach Museum of Art, which remains closed at this time. For the VBMA, take a photo of the horse sculpture out in front in the Sculpture Park and post it. At McKee, you can post a photo of your child on or near our *Scorpion* pirate ship. Once you have posted your photo at each of the six locations, you can claim your treasure at the Indian River County Chamber of Commerce located at 1216 21st Street, Vero Beach. ■
