MISSION STATEMENT

MCKEE BOTANICAL GARDEN IS A 501(C)(3) ORGANIZATION WHOSE MISSION IS

to nurture and enhance a historic garden in a unique tropical setting for the education, enjoyment, and enrichment of all.

CHILDREN'S GARDEN MISSION STATEMENT

The mission of the Children's Garden at McKee is to create a fun and whimsical outdoor destination that inspires imagination and curiosity in children through interaction, education, and exploration. The Garden will nurture a powerful bond between children and nature.

FROM THE EXECUTIVE DIRECTOR

A YEAR OF GROWTH AND GRATITUDE

This past year was a year of growth and gratitude for the Garden. *Our attendance* for fiscal year 2021-2022 of over 135,000 visitors far surpassed our expectations, and set a new record that exceeded last year's attendance of over 99,000. *The Magic of McKee Festival of Lights*, held over twelve nights, welcomed an astounding 14,000 members and guests. Another great success was the animatronic *Dinosaurs Around the World* exhibition that thrilled guests of all ages. *Our membership* also grew substantially to over 7,000 members. *Educational*

offerings for both adults and children were greatly expanded and attended by hundreds of our members and visitors. We also focused on *enhancing the Garden's plant collection* with a variety of new plantings that continues to evolve and delight all who come to the Garden. *The 20th Anniversary Garden restoration project* continues to make progress with anticipated completion in late 2023. *The Garden Gift & Book Shop and Garden Café* experienced an outstanding year as well through increased sales. In the fall of 2021, the Garden received the *TripAdvisor Travelers' Choice Award* through consistent positive reviews from our members and visitors.

None of these achievements would be possible without the help and dedication from our members, visitors, Board of Directors, volunteers, and staff. We are extremely grateful to all of you for your continued support, which allows the Garden to thrive and flourish.

McKee Botanical Garden remains committed to attracting, educating, and delighting visitors of all ages through our internationally renowned art exhibitions, annual special events, and thought-provoking educational workshops and lectures. We are always striving to find new ways to enhance our visitor's experience and welcome your suggestions and feedback regarding the continued growth of the Garden. ■

Thank you,

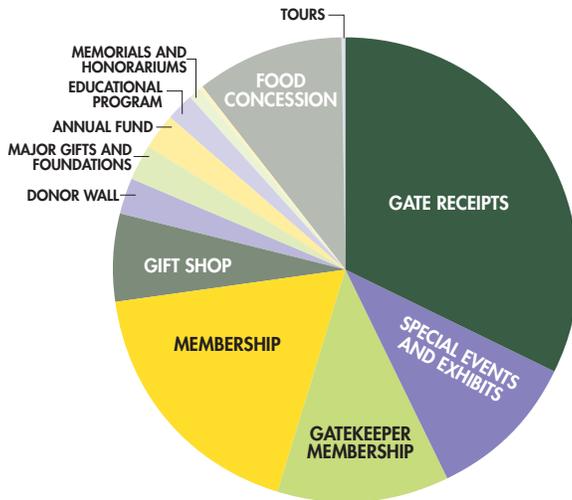

Christine Hobart

DINOSAURS AROUND THE WORLD:

THE GREAT OUTDOORS

Presented by Imagine Exhibitions, *Dinosaurs Around the World: The Great Outdoors*, was on display from Saturday, November 20, 2021 through Sunday, May 1, 2022. Over 90,000 visitors traveled back in time for an unforgettable experience as they walked through the Garden encountering 10 life-sized animatronic dinosaurs—prehistoric giants who once roamed the Earth.

People of all ages, especially our young explorers, marveled at each dinosaur's sound and special effects. Children were thrilled to receive their interactive activity guides and map that helped them locate the dinosaurs and learn interesting fun facts about each of them.

We are so grateful to all our sponsors who made this exhibition possible through their generosity and commitment to the Garden. ■

AN EVENTFUL YEAR IN REVIEW

NOVEMBER 2021

Over seventy Gatekeepers of the Garden attended McKee's *Annual Gatekeeper Celebration Event*. Each year McKee Botanical Garden kicks off the season by recognizing and celebrating its most dedicated and visionary supporters—Gatekeepers of the Garden. Gatekeepers are a distinguished group of individuals who demonstrate leadership within the community by playing a critical role in ensuring the vitality, excellence, and sustainability of McKee. This year's event, *Cocktails at the Kaleidoscope*, included a presentation given by Historic Landscape Architect David Sacks. In honor of McKee's 20th Anniversary, the Garden is focusing on its greatest asset—the 18-acre botanical paradise. McKee is undergoing a *Horticultural Revitalization Project*, which David Sacks is leading. In addition, Kaleidoscope Artist Bob Anderson presented McKee's new living sculpture, which is part of the revitalization project. The custom-made garden kaleidoscope will be installed in the south end of the Royal Palm Grove, allowing visitors to become mesmerized as they experience the natural beauty of flowering plants and other colorful items. McKee's Horticultural Revitalization Project has already begun. Two key areas

of the Garden's lush jungle landscape will be enhanced with added bursts of color, textures, and a variety of new species. McKee's 20th Anniversary Horticultural Revitalization Project has been made possible by the generosity of the Gatekeepers of the Garden and other supporters who are committed to upholding the Garden's storied legacy of educating, delighting, and enriching the lives of all who step through its gates. ■

DECEMBER 2021

Over twelve nights the Garden hosted its Magic of McKee Festival of Lights, which was a huge success with record-breaking attendance of 14,481. This year's event was truly magical as so many visitors were delighted that the Garden once again is able to host these evening events after COVID. Abundant joy and excitement was evident as visitors from near and far marveled at the large-scale train display, festive holiday displays, and enjoyed the music from the Wurlitzer Band Organ and local entertainment. Santa also made several appearances and there were intermittent snow flurries for the crowds to enjoy ■

FEBRUARY 2022

The Garden hosted the *12th Annual Motor Car Exhibition* showcasing “*European Cars Featuring the Ferrari and*

Other Italian Exotics.” The event was sponsored by Wilmington Trust and was hosted by McKee’s Car Show Committee, which includes Richard Kesler, Bill Maule, Dave Prossick, Norm Ridgely, Chuck Roberts, Wayne Sandlin, Committee Chair John Schumann, Jr., and Jerry Weick. The

Garden was bustling with over 3,200 car and motorcycle enthusiasts who came to enjoy the show and the beautiful weather. ■

MARCH 2022

The Garden hosted its *3rd Annual Garden & Antique Show and Sale* with over 4,000 guests in attendance

during the 3-day event. Twenty-four vendors showcased a wide array of exquisite antiques, jewelry, vintage furniture, paintings, garden accessories and statuary. Many McKee members and people from across the state enjoyed perusing the treasures on display and mingling with

the vendors from across the U.S. As a result of great teamwork by staff and volunteers, McKee welcomed a total of 141 new members during this event. ■

APRIL 2022

Every April since 2010, McKee Botanical Garden has welcomed students and faculty from the Wabasso School for a day of jubilation, merriment, camaraderie, and education.

The Garden is open exclusively to the school during this one-day event. Wabasso School of Indian River County is an education center school for special needs students ages 5 to 22. The school offers instruction with a focus on student achievement, communication skills, social, emotional, and behavioral growth within a safe and supportive environment to develop students' academic and independent living skills for successful integration into the community.

McKee's annual *Wabasso Day Celebration* provides an opportunity to positively impact the lives of these special students and the dedicated teachers and staff that provide the daily educational, emotional, social, and individual needs of each student. The students, caregivers, and staff enjoyed a day of interactive comedy and entertainment performances, which included a stilt walker, juggler, magician, clown comedy act and face painter. Afterwards everyone was treated to lunch and a tour of the Garden. Quail Valley Charities generously underwrote this event. ■

SPONSORED BY

JUNE 2022

The Garden hosted its *17th Annual Waterlily Celebration* in recognition of McKee's most striking plant collection from its onset in the 1930s. This event features one of the state's largest collections of waterlilies, comprised of over 80 varieties with more than 300 potted and 100 free-range plants, including night-blooming and day-blooming varieties. Over 900 members and guests enjoyed watching plein air

artists creating original works of art, plant vendors, and repotting demonstrations. In conjunction with the event, the Garden hosted the *Annual Waterlily Photo Contest*. Fifty-four beautiful photos submitted by local residents and beyond were judged in this contest, and first, second and third place winners, as well as an honorable mention, were selected in the following adult categories: Color, Black and White, and Manipulated. Submissions in the youth category for photographers 17 and under were also judged with first and second place winners selected. Throughout the event, the public was also given the opportunity to cast a vote for the "People's Choice" award. ■

JUNE AND JULY 2022

The Garden hosted our annual *Camp McKee* over four weeks. Eighty children ranging in age from 6 to 12 attended Camp McKee sessions where campers enjoyed visits from professional art teachers, a wildlife demonstration by Tim Brown of Treasure Coast Wildlife Sanctuary, Fred Mazza from Paleo Discoveries, and interns from Coastal Connections, Inc. ■

FIRST AVANT GARDENERS EVENT

BBQ AND A MOVIE— DECEMBER, 2022

McKee is committed to finding leaders whose skill sets and perspectives align with the Garden's strategies, goals, and needs—today and into the future. Attracting the right blend of expertise, community connections, diverse perspectives, and spheres of influence will assure effective leadership for the Garden. To achieve this, McKee is developing activities to attract and cultivate the next generation of leadership—*McKee's Avant Gardeners*.

In December 2022, McKee Botanical Garden hosted its first *Avant Gardener Event: BBQ, and a Movie*. Graciously hosted by Matt and Olivia McManus, Pete and Davis Benedict, and Cathy and Mike Curley, this unique, family-friendly event attracted nearly 100 guests—adults and children combined.

Families were invited to experience the magic of the Garden at night and enjoy a movie in the main greeting

area. To compliment the exciting *Dinosaurs Around the World Exhibit*, the movie choice was *Night at the Museum*. Each family was given a flashlight upon arriving so they could explore the Garden throughout the evening and discover the realistic animatronic dinosaurs on display. 14 Bones catered the food, and Walking Tree Brewery generously donated the beer. It was a fun-filled evening for all! ■

OUR VOLUNTEERS

FISCAL YEAR 2021–2022

Our volunteers are vital to the ongoing success of McKee, and never more so than over this past year during which our volunteers “worked” 6,529 hours. The 2022 estimated value of each volunteer hour is \$29.95. This is an annual contribution of \$195,543 in time, talent, and effort. This amazingly busy year saw our volunteers assisting with all our special events, mailings, the Children’s Garden and Camp McKee, the Horticulture Department, guided tours, and in all other areas—wherever and whenever needed. This remarkable group of volunteers helps us keep the Magic of McKee alive year-round! ■

PROJECT UPDATE

Initial planting upgrades and selective site clearing along the Outer Banks Trail and Banyan Trail were completed during October and November, 2021, including a revised trail configuration that makes a focal point of the Morse memorial fountain at the back of the property. Construction drawings for the new Palm Grove Patio and for the concrete cores for artist Xavier Cortada's five columnar artworks were completed in December, 2021. Due to the intensely busy state of the construction industry throughout the Treasure Coast region, finding contractors was a difficult process. EBL Partners, the firm that served as General Contractor for the Children's Garden, signed on in spring 2022 and initiated the permitting process with Indian River County. After receipt of permit, the contractor mobilized in late July and was able to secure a scheduled concrete pour for late September, which was deferred approximately two weeks due to Hurricane Ian. Cortada's glazed tiles and ceramic

sculptural planters are stored securely at the Garden awaiting pouring and curing of the necessary concrete structures. Stonework for the Patio will also commence as soon as the patio floor's concrete substrate has cured. ■

Wonderful

Beautiful gardens with a lot to see. Nice way to enjoy the outdoors and to kill a couple of hours. They have a nice area for kids as well. Good for young and old alike.

LARISA G., STATEN ISLAND, NY

Beautiful garden!

Thanks to Trip Advisor that I used to find this place! This garden is amazing, besides beautiful plants we were happy to see dinosaurs exhibition. If you are visiting the Garden with kids they will be happy to stay and play in the kids garden. Overall we had great experience.

MJ DONADIO, POMPANO BEACH, FL

Must See!

Hands down one of the best places to get away and see what old Florida used to look like. McKee gardens is a place that has so much history and beauty in one spot. Definitely make time to check this place out. And be sure to check the calendar for events!!

TRAVELING BOB, FORT PIERCE, FL

A Wonderful Surprise

We must have passed by McKee hundreds of times without giving it very much thought. When my daughter's family visited, we thought this would be the time to give McKee a try. WOW! What a great time we had!! We loved the various trails and water displays with a wide choice of vegetation. It was also great to see the dinosaurs. We will be going back just to enjoy it all again. Very highly recommended.

AIKEN ADVENTURES

This is a must-do in Vero. It is definitely among the best botanical gardens in the state of Florida! The collection of plants from around the world are amazing! I didn't even know there were that many different kinds of waterlilies!
