McKEE
BOTANICAL GARDEN

MISSION STATEMENT

MCKEE BOTANICAL
GARDEN IS A 501(C)(3)
ORGANIZATION WHOSE
MISSION IS

*to nurture and enhance a
historic garden in a unique
tropical setting for the
education, enjoyment,
and enrichment of all.*

CHILDREN'S GARDEN MISSION STATEMENT

*The mission of the
Children's Garden at McKee
is to create a fun and
whimsical outdoor
destination that inspires
imagination and curiosity
in children through
interaction, education,
and exploration. The
Garden will nurture a
powerful bond between
children and nature.*

PROGRESS & PROMISE

LETTER FROM THE EXECUTIVE DIRECTOR

I am delighted to report that fiscal year 2022-2023 was another outstanding year at the Garden. Over 120,000 members and guests from all over Florida, the United States, and beyond visited the Garden. Our membership increased again this past year to over 7,700 members. In December, during the **Festival of Lights**, we welcomed over 17,000 guests who enjoyed strolling the brightly illuminated pathways adorned with festive holiday displays, a model train display, the 1924 Wurlitzer Band Organ and local entertainment, holiday classic outdoor movies, intermittent snow flurries, and tasty treats from the Garden Café.

In February, our **14th Annual Motor Car Exhibition** welcomed over 3,240 visitors and car enthusiasts who came to admire over forty of the "Car Collectors' Favorite" automobiles from their private collections and a wide array of motorcycles on display throughout the Garden. During this one-day event, members and guests had an opportunity to speak with the car collectors about their prized possessions.

In June, we highlighted McKee's outstanding collection of waterlilies during the **18th Annual Waterlily Celebration**. Each year, this event draws hundreds of photographers, artists and plant enthusiasts who come to marvel at one of the state's largest collections of waterlilies in a spectacular array of colors, textures and fragrances.

McKee Botanical Garden features internationally renowned art exhibitions each year. This past year, the Garden hosted Seattle glass blower and artist Jason Gamrath's **Garden of Glass** exhibition from January through April. This exhibit displayed nine stunning monumental glass sculptures, including glass orchids, waterlilies, and plants standing anywhere from six to fourteen feet tall on display throughout the Garden.

The Garden has become a well-known destination for visitors of all ages from around the globe. We have grown from welcoming 20,000 visitors during our first full year of operations to over 120,000 this past year. McKee is now a "must-see" destination for those visiting Florida. I take enormous pride in what we have accomplished since reopening in 2001. Our Children's Garden, which opened in 2020, is one of the best in the State of Florida.

Finally, with both excitement and sadness I announced that I will be retiring as Executive Director this September. The past twenty-five years at the Garden has been an amazing journey. I could not have asked for a more rewarding experience. I am leaving the Garden in the best financial condition in our history. The Garden is very stable, and I know that the Board, staff and volunteers will continue to build upon the successes I have had during my career. I will always maintain a deep love for McKee, and now will be able to visit as a member to enjoy the Garden on a more personal level. McKee is

such an incredibly special place with a rich history that I am forever grateful to have been a part of it. The future and promise of McKee continues to be strong, and I know that my successor will fall in love with the Garden just as I did and will continue to build and grow on our successes.

A handwritten signature in green ink that reads "Christine Hobart".

Christine Hobart

PROGRESS & PROMISE

THE YEAR IN REVIEW

(JULY 1, 2022–JUNE 30, 2023)

In November 2022, we hosted our annual **Gatekeeper's Celebration**. This event recognizes and celebrates our most dedicated and visionary supporters. One hundred and nineteen Gatekeepers shared a lovely evening experiencing the magic of McKee while reconnecting with one another. The guest speaker was world-renowned artist, Xavier Cortada. As part of the **20th Anniversary Revitalization Project**, Xavier was commissioned to create several unique eco-inspired intricate pieces for McKee. Wilmington Trust generously sponsored this event.

In December 2022, over 17,000 members and visitors attended the **Magic of McKee Festival of Lights**. The Garden was transformed into a winter wonderland where thousands of professionally installed LED twinkling lights by Elite Christmas Lighting illuminated the Garden. The event featured a giant Santa in the main greeting area and a custom snow globe floating on the main pond. Families enjoyed frolicking in the intermittent snow flurries in the historic Spanish Kitchen. The Hall of Giants was decorated in a miniature gnome-themed village. The Royal Palm Grove was transformed into Candy Cane Lane featuring over fourteen red and white stripped palm trees. Guests were able to visit with Santa and Mrs. Claus and enjoyed listening to the 1924 Wurlitzer Band Organ and local entertainment, as well as a chance to admire the nostalgic model train display in the Education Building.

In January 2023, the Garden hosted renowned Seattle artist, **Jason Gamrath's Garden of Glass** exhibition featuring nine amazing monumental glass sculptures including orchids, waterlilies and a variety of other plants. The exhibit remained on display through April.

On Saturday, February 11, 2023 McKee Botanical Garden was bustling with over 3,240 visitors and car enthusiasts who came to

enjoy the **14th Annual Motor Car Exhibition** featuring over 40 of the "Car Collectors' Favorite" automobiles from their private collections and a wide array of motorcycles.

February also found McKee's **Avant Gardeners enjoying Flamenco in the Garden** over cocktails in the Spanish Kitchen. Luis Alfredo Garcia's flamenco guitarists and two fabulously talented flamenco dancers, all from Orlando, added authentic music and dance to the occasion. The renowned chef, Michael, of Michael's on 7th,

and his son, created passed Spanish hors d'oeuvres, served with Sangria to the sixty or so guests. These periodic Avant Gardeners' events introduce a small piece of McKee's history to Vero's young professionals who may not have grown up visiting McKee, or may not know McKee's long and colorful history. When it was built in 1940, the Spanish Kitchen was used for entertaining, as was the Hall of Giants, and now the tradition continues. Avant Gardeners are identified and hosted by a group of Vero's top professionals

who have a passion for the Garden and are helping to share that passion with their contemporaries.

During a short visit to Vero Beach in February, the 26th Secretary of Defense and Four-Star General (Ret), James Mattis, led a **World War II Commemorative dedication ceremony** at McKee. Following the attack on Pearl Harbor in 1941, a U.S. Naval Air Station was commissioned in Vero Beach. McKee Jungle Gardens was voluntarily closed to the public so the dense jungle area could be used in cooperation with the Navy for training pilots in jungle survival. An article in the *Vero Beach Press Journal*, December 29, 1945, described the unique contribution to the war effort as follows: "So many plants imported here during years past and now growing wild in

14TH ANNUAL MOTOR CAR EXHIBITION

the gardens are those which fliers would find if forced down in the South Pacific waters. The gardens proved of unmeasured importance and contributed much to the safety of these fliers of the naval air arm..." A plaque with the following inscription: IN HONOR OF THE WORLD WAR II PILOTS BOUND FOR THE SOUTH PACIFIC WHO RECEIVED JUNGLE SURVIVAL TRAINING AT MCKEE JUNGLE GARDENS 1943 – 1945 has been placed just north of the Garden's library.

The Annual Membership Meeting was held on Tuesday, February 28, in the Richardson Education Building to a sold-out crowd. Christine Hobart opened the meeting reiterating that last year we had over 136,000 visitors to the Garden, which is a new record, and that we exceeded 7,000 members for the first time. Board President, Pete Benedict introduced our guest speaker, Board Member and Great Granddaughter of Arthur McKee, Marion de Vogel. Marion gave a historical presentation on Arthur McKee and Waldo Sexton—two of Vero's early developers and conservationists—to share more about their iconic Garden legacy.

To celebrate an unprecedented milestone, The Board of Directors organized a surprise dinner in the Hall of Giants on April 13 in honor of Christine Hobart. The occasion marked her 25th year at McKee, the last 18 years of which she has been McKee's most notable Executive Director. Current and past board members joined the McKee staff at the dinner. McKee's President of the Board, Peter B. Benedict II, and past President, Susan S. Smith, gave celebratory toasts to Christine.

To commemorate Christine's milestone, Peter Benedict noted that the Board is underwriting and dedicating Sanctuary in the upcoming Myth Makers exhibit in her honor. Peter commented, "We believe the short-eared owl sculpture, equipped with a bench seat, and crafted

out of resilient and sturdy bamboo, represents not only your personal totem, but also, and importantly, your unwavering dedication, your extraordinary achievements and your exemplary leadership." Peter added that the signage next to Sanctuary would convey the significant role Christine has had in McKee's venerable history as follows:

The Board of Directors dedicates Sanctuary to McKee Botanical Garden's Executive Director, Christine Hobart, who for twenty-five years guided the mystery and the magic of the historic Garden with wisdom, inspiration and unflappable determination. Christine's leadership has transformed McKee's fortunes and its future, which the Board wishes to acknowledge with tremendous gratitude.

In April, 2023, the Garden hosted its **Annual Wabasso Day Celebration**. Wabasso School of Indian River County is an education center school for special needs students ages 5 to 22. The school offers instruction with a focus on student achievement, communication skills, social, emotional and behavioral growth within a safe and supportive environment to

develop their academic and independent living skills for successful integration into the community. McKee's Annual Wabasso Day Celebration provides an opportunity to positively impact the lives of these special students and the dedicated teachers and staff that provide the daily educational, emotional, social and individual needs of each student. This event is generously underwritten by Quail Valley Charities.

From May through July, 2023, the Garden hosted a special exhibition called **Playing with Gravity by local Master Balancer Adam Conard**, which featured the ancient art of stone balancing at the mastery level. Stacking stones is more popular; but done as an art form at the masterly level is exceedingly rare. Balancing and stacking

WWII COMMEMORATIVE DEDICATION CEREMONY

stones is one of the most rare and ancient art forms, dating back to prehistoric origins and predating 2D cave paintings, which are considered one of the earliest art forms. This exhibition featured both highlighted balances and surprise balances, including floating in the waterways at McKee. Adam's sculptures are true balances; no glues or other attachments of any kind are used. In addition, Adam gave a demonstration on the art form and allowed visitors to try to build a balance of their own.

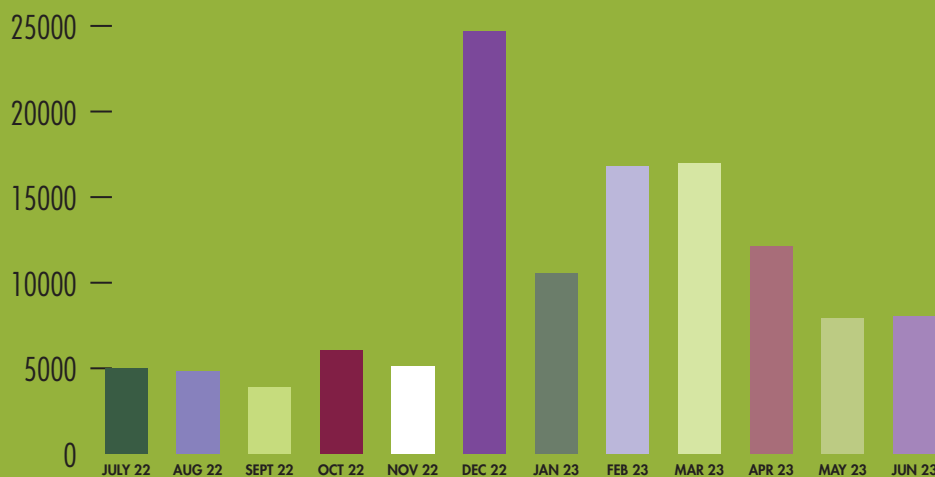

In June, McKee Botanical Garden hosted its **18th Annual Waterlily Celebration**

featuring one of the state's largest collections of waterlilies, plant sales, plein air artists, plant expert sessions, waterlily repotting demonstrations and the annual waterlily photo contest. Over 860 members and visitors attended this event.

In June and July, the Garden hosted **Camp McKee Summer Camp**. This camp was held for four weeks for students in first through fourth grade and featured an arts and science week, jungle exploration week, and Earth discovery week.

OUR VOLUNTEERS

We are so grateful for the commitment, passion, and hard work of our 177 volunteers at McKee. These remarkable and dedicated volunteers assisted in all aspects of the Garden from working with the horticulture staff to assisting with all our special events, our children's activities, and conducting over 70 guided tours. This was a significant contribution of 6,592 hours "worked." With the 2022-2023 value of a volunteer hour estimated to be \$31.80, the annual donation is \$209,625 in time, talent and effort. Our volunteers are vital to the success of McKee!

PROGRESS
& PROMISE

2022-2023 ANNUAL REPORT 13

EDUCATION

During fiscal year 2022–2023, our Education Coordinator hosted (13) health and wellness series including Yoga, Pilates, Tai Chi and Qi Gong, (9) gardening, floral and nature related workshops and lectures, (26) art, garden decor, jewelry, painting and other various workshops, (4) Botanical Book Club meetings, (2) bus tours to neighboring gardens and (34) weekly guided tours of McKee. We facilitated (5) children's art workshops, a month of Pirate and Fairy Celebration Saturdays, and weekly activities in the Children's Garden including: Mommy and Me classes, Music & Storytime, Nature Stations, Garden Sprouts Nature Playgroup, International Story Time and a weekly science-based homeschool program. During the holidays, we offered Twelve Days of Holiday Crafts for children. We celebrated Totally Tomato Day in January with an attendance of 463 visitors. Four weeks of Summer Camp were held, with 3 weeks falling within this fiscal year. Themes for the camps included: Wildlife Discovery Week, Arts & Science Week, Jungle Exploration Week and Earth Discovery Week. A total of 1,026 people attended our lectures, workshops, and camps (excluding holiday crafts, Totally Tomato Day, Pirate and Fairy Saturdays and weekly guided tours). The Education Coordinator and McKee volunteers spent the morning at Childcare Resources on April 18, and joined Pelican Island Elementary School as they celebrated Earth Day on April 21.

PROGRESS & PROMISE

LEGACY SOCIETY

The McKee Legacy Society honors those individuals who have expressed their dedication to McKee by making the Garden part of their lasting personal philanthropy. These members, individually and collectively, have built a legacy for McKee by including the Garden in their estate plans.

Gorgeous Gardens

Very lovely. It is so beautiful and relaxing. I highly recommend if you are in Vero Beach or around to visit McKee Botanical Garden. The property is beautiful!
Giraffe L — November 2022

Beautiful green and oxygen.

On my own I sucked up all the beautiful green and oxygen. There were many flowers blooming and neat trees. The water features were fascinating. There were many families there enjoying the children's garden, pirate ship tree house, instruments and playing in the water. I thought the historical story signage was interesting. I am thankful for the local volunteers who found a way to save the gardens.

Vbriggs2017- Miles City, MT- March 2023

What a beautiful place to visit!

Great place to visit for all ages! Beautiful and gorgeous gardens! We went to the splash pad and the kids had a blast!
Ben H. — New Jersey — December 2022

McKee's members provide vital support in ensuring the Garden thrives for generations to come. Due to space, we are unable to list all of our members.

A close-up photograph of a pond filled with water lilies. Several large, round leaves with intricate green and purple patterns float on the water's surface. Several white water lilies with yellow centers are in various stages of bloom, and a few purple buds are also visible. The water is dark and reflects the surrounding foliage.
